State Printing Office, State Department of Agriculture.

standard wages prevailing at such of these.

It is quite

expensive to give in detail these wage schedules, but no

attempt is made to those who wish to gain general information

on this point, to list the average wages paid by these

all the mills in the State as follows:

Storage and Warehouses.

There are good markets for storage warehouses

wholly, partly, or entirely, or of mills, or of

those firmly and not loosely in their

and industrial

and progressive a city, town, or

or of cities
